

Move On Up – Curtis Mayfield

Faire Tourner le groove en boucle: F#m (1/2) - Em (3/2) - A (1/2) - Bm (3/2)
(un style corrido funky est sympa)

F#m Em
Hush now child,
A Bm
and don't you cry
F#m Em
Your folks might understand you
A Bm
by and by
F#m Em
Just move on up
A Bm
towards your destination
F#m Em
Though you may find from time to time
A Bm
Complications

Bridge - 2x F#m - Em - A - Bm

F#m Em (...)
Bite your lip
and take a trip
Though there may be wet road ahead
And You cannot slip
Just move on up
and peace you will find
Into the steeple of beautiful people
Where there's only one kind

So hush now child
and don't you cry
Your folks might understand you
by and by
Move on up
and keep on wishing
Remember your dream is your only scheme
So keep on pushing

Bridge - 2x F#m - Em - A - Bm

Take nothing less
Ain't no second best
Do not obey you must have your say
That you can past the test

Just move on up to a greater day
With just a little faith if you put your mind to it
You can surely do it

Bridge - 2x F#m - Em - A - Bm

2X
Just move on up
Move on up
What move on up
Oh child but just a move on up
Just move on up
Move on up
- Bridge... -
