

# Royals • Lorde

## Verse 1

I've never seen a diamond in the flesh  
I cut my teeth on wedding rings in the movies  
And I'm not proud of my address - in the torn up town  
No postcode envy

## PreChorus

But every song's like: gold teeth, grey goose, trippin' in the bathroom  
Blood stains, ballgowns, trashin' the hotel room  
We don't care - we're driving Cadillacs in our dreams  
But everybody's like Cristal, Mayback, diamonds on your timepiece  
Jet planes, islands, tigers on a gold leash  
We don't care - we aren't caught up in your love affair

## Chorus

And we'll never be royals (royals) - It don't run in our blood  
That kind of lux just ain't for us  
We crave a different kind of buzz  
Let me be your ruler (ruler) - you can call me Queen Bee  
And baby I'll rule, I'll rule, I'll rule, I'll rule  
Let me live that fantasy

## Verse 2

My friends and I we've cracked the code  
We count our dollars on the train to the party  
And everyone who knows us knows that we're fine with this  
We didn't come from money
