Am **G** **Am** **G**
 He was the rock of old, Carved and faced
Am **G** **Am** **G**
 Land of the cross, Drawn and traced
Am **G** **Am** **G**
 She of silk and lace, Soft as night
Am **G** **Am** **G**
 A crescent moon, Bathed in light

Dm **F** **G** **G**
 Who would dare tear them apart?
Dm **F** **G** **G**
 Who would try to halve this heart?

Am **G** **Dm**
 How can we stand
G **Dm**
 To hold up a man
G **Dm**
 To choose in his hand
G **C** **C**
 Between two grains of sand

Am **G** **Dm**
 How can we turn
G **Dm**
 To violence and burn
G **Dm**
 Forgot all we've learned
G **C** **C**
 To darkness return

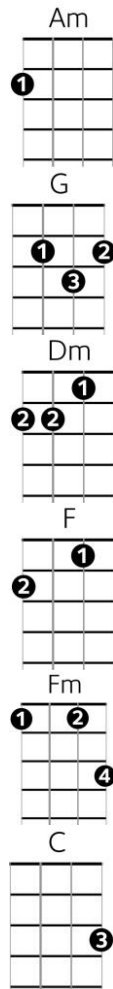

Am **G** **Am** **G**
 It's been told before, I'll tell it again
Am **G** **Am** **G**
 How jealousy struck, And hate did gain

Am **G** **Am** **G**
 To plunder once, Once and for all
Am **G** **Am** **G**
 This cherished pearl, Till sorrow falls

Dm **F** **G** **G**
 They stole in and crept like thieves
Dm **F** **G** **G**
 A murder buried under autumn leaves

Am **G** **Dm**
 How can we stand
G **Dm**
 To hold up a man
G **Dm**
 To choose in his hand
G **C** **C**
 Between two grains of sand

Am **G** **Dm**
 How can we turn
G **Dm**
 To violence and burn
G **Dm**
 Forgot all we've learned
G **C** **C**
 To darkness return

Of butchers and crimes, Of laws and lies

Am G Am G
In the frozen drops, of winter's rain
